Cheesy Pecan Wafers

Pair with 2012 Gunfighter California Republic Rose

Makes 8 dozen wafers

Ingredients:

- 2 cups grated sharp cheddar cheese
- 1/4 pound (1 stick) unsalted butter, at room temperature
- 1 1/2 cups flour
- 1/2 tsp. salt
- 1/2 tsp. (or to taste) cayenne pepper
- 1/2 cup chopped pecans plus extra whole pecans

Using an electric mixer, combine all ingredients to make a soft dough. If doing by hand, knead until ingredients are well combined. Divide into quarters, and roll each piece into a log about 1 inch in diameter. Wrap in waxed paper, and refrigerate until firm, at least 2 hours.

Heat oven to 350 degrees. Unwrap dough and cut into slices about 1/4 inch thick. Arrange slices on a non stick baking sheet. Arrange pecans in center of each round. Bake until edges are brown, about 20 minutes
