Hello Locals Choice Club Members,

Personally I find it very hard to believe that another year is coming to a close so soon. At Locals we are nearing our five-year anniversary thanks to the loyal support of our club members. It has been a very busy year, and I think you will all agree it is time to slow down for a bit and just savor the moment. Now is the time to visit with family and friends, share a great bottle of wine, and enjoy a fabulous meal with some good conversation.

Just as a chef works to create amazing flavors from simple ingredients, so do our Locals winemakers put in the long hours required to coax utter deliciousness from the grapes of Sonoma County. The wines you are receiving this quarter are both yummy and affordable. They are easy drinking, great for food pairing, and should inspire you to step into your kitchen to whip up some comforting seasonal dishes. Most of all, these wines will warm your winter evenings and smooth the transition into 2007. There are some new recipes for you on our Locals website so be sure to take a look. Our online store is also brand new and will make ordering more of your favorite wines easier in the future.

All of us at Locals wish you a wonderful New Year filled with good times, prosperity and hopefully, peace. We trust the enclosed gold coins will bring you luck and that you will enjoy them with a nice sip of Cabernet.

Be sure to visit or talk to us often in the coming year, and now on to a bit about the wines you are soon to enjoy.

Cheers,

Carolyn, Diane and Tim
