Carolyn and Tim
Locals Owners

Hello Locals Choice Club members,

It's officially summertime, and I have just returned from a wonderful ten days spent on the East Coast visiting my brother. We fished, we ate lots of oysters and crabs and generally relaxed. Tim and I have not been away since our trip to Italy over four years ago, which is way too long, but I am sure many of you can relate to the pleasures of small business ownership. We are at 12 years and counting! Although our visit to the Chesapeake Bay was wonderful... it is always equally great to come back to Sonoma County. The minute I step out of the airport and feel that nice dry West Coast air then take the drive across the Golden Gate and on up to the Wine Country I am reminded how lucky we are to live here.

As those of you that follow Locals Tasting Room on Facebook have probably noticed, I have been back out in the vineyards having fun shooting amateur videos and posting for all to see. There are lots of exciting happenings in the tasting room as well. We are in the process of adding Bodkin Wines and Munselle Vineyards to our lineup so expect to hear more about that soon. Both produce exceptional wines and Chris of Bodkin makes the only sparkling Sauvignon Blanc in California so that promises to be fun.

Your wine club selections this month include the *2010 Gunfighter Cabernet Sauvignon*, hailing from the relatively new Pine Mountain AVA which rises 3,000 feet above the Alexander Valley. The growers on this gorgeous mountain use only sustainable and organic methods to produce some of the best Cabernet around. I have been personally enjoying this wine for a month or two now and wanted to share it with you. It has more than enough dark fruit to hold its own with a big steak dinner or just about anything you care to BBQ.

The 2012 Praxis Pinot Noir has won several medals and continues to be a true crowd pleaser in the tasting room. After making Pinot Noir with fruit from Monterey for many vintages, Bill Arbios had the opportunity to acquire some amazing fruit from the Sonoma Coast. The vineyard is west of Sonoma and right at the border of the Carneros appellation,

where the cool climate of the San Pablo Bay influences growth and ripening. I find this wine to be especially soft and balanced. Lovely all by itself but wonderful paired with food as well.

The full tasting notes on these wines as well as those for the Pink and White club selections can be found at tastelocalwines.com/tasting_notes and recipes are at tastelocalwines.com/recipes.

As always, I suggest you mark your calendars for our all important One Dollar shipping window which runs from Monday July 14th 2014 to Friday July 18th 2014. *Remember that the maximum order for \$1 shipping is three cases per club member, and excludes shipping to Hawaii, Alaska, and Canada.*

Please also note, that for those of you we ship to, there may be some hot weather holds and if so we will be storing your wine at our temperature controlled facility until we can get it to you safely. In many instances we will provide cold shipping (at our expense) to get your wine to you as quickly as we can.
