

*Pendleton  
Vineyards &*

*Estate  
Winery*

Is a small family winery located in the north west corner of Alexander valley on Hwy 128 west out of Cloverdale. This Petite Sirah was planted when my daughter Leslie was born in 2005. Our hillside vineyard sits 2,000 feet above the Alexander floor. Since I am the winemaker/grower I planted our vines on a single cordon with only a 3 foot fruit zone making it a more concentrated and darker wine. Pendleton Estate's is a one man operation from planting, picking, crushing thru bottling. That's why this is only a 100 case lot, as most of Pendleton Wines are.

#### Tasting Notes

This Petite Sirah has dense blackberry & blueberries, black and red plums and cream aromas. Then sweet spice, grape candy and dried herbs join mid palate. Peppery and juicy with great acidity and thick tannins on a young tight finish.

Made in the old world style. This is your red meat wine from rib-eye to short ribs or anything in-between and excellent with stewed meats or rich vegetarian dishes. This wine was aged 24 months in 50% new french and 50% new Hungarian

If you like it drink now, or hold for 10 years.
