

# TREASURE CELLARS

Once a year we find some of the best grapes around and make a special Treasure Cellars wine. This year it is pinot noir from one of the best vineyards in The Russian River Valley. Prepare yourself for this beauty.

Seriously, find your zen; do some yoga...this is an "a-ha" moment.

2012 – 100% Pinot Noir  
100% “Sweetwater Vineyard” - Russian River Valley – Sonoma County  
Alcohol – 14.1%

This wine was crafted from grapes harvested from Sweetwater Vineyard in The Russian River Valley. Our winemaker chose the perfect time to pick and this pinot, from one of the most famous vineyards from this illustrious Pinot Noir region, exceeds our loftiest expectations.

This heavenly angel of a pinot noir shows a vibrant ruby-red splendor and exemplifies the flashy, black fruit and zingy intensity with sweet, perfumed aromatics. Raspberry and cherry abound on the palate and the finish is long, spicy and savory. Fine tannins and balanced acidity make this wine a composed explosion of flavor and decadence.
