

2014 Sauvignon Blanc – “The Victor’s Spoils” North Coast of California

Light and approachable, this high flavor-low alcohol (12.8%) wine is perfect to drink all day long and on into the party hour. Lemon-lime and grapefruit with accents of tangerines and nectarines dominate the flavors and aromas. This wine pairs well with live music, sunny days, fresh cuisine, cool dudes and hot babes – So it pairs well with pretty much the best things in life. I call that winning and to the victor go the spoils. Grip and Sip!
