Release Date- May 2015

Tasting Notes

This is the winemakers select blend of Alexander valley Grapes with three being from our Estate. This is the second in a series of water colors done by my 9 year old daughter .This wine offers aromas of rich ripe dark fruits . There is up front fruit with layers of luscious layers of berries .Good acid with a seamless palate with firm tannins and a long complex finish, This wine is very complex and balanced, a lovely food wine.Goes with any meat that has a good fat content or a vegetarian crepe lasagna with gorgonzola cream sauce.This Kitty will play nice if you give it a chance.
