

Inspired by the beauty and tranquility of Bedarra – a remote island off the Great Barrier Reef in Australia, our wines marry the magical characteristics of the island with the distinctive qualities of our small boutique vineyard in beautiful Dry Creek Valley.

## 2012 Bedarra “Beachfront”

Our special blend of 75% Sauvignon Blanc and 25% Chardonnay creates a delightful balance of bright tropical fruit, smooth texture and a crisp finish. It is the perfect complement to any warm afternoon sitting on a beach, by the pool, enjoying a picnic or simply relaxing in your own backyard. A wonderfully refreshing wine, Beachfront is truly “summer in a glass.”
