

More than 130 years ago, our family arrived in the Alexander Valley with a vision of producing fine wines from the rich soils the Valley has become known for. As generations passed, our family stepped away from winemaking to focus their efforts toward cultivation of the land. For more than three decades we've produced premium grapes that have contributed to a multitude of award-winning and notable wines. Now, five generations later, we've come full circle with a return to winemaking. With every grape and bottle we produce, we honor the vision of our ancestors, and the heritage and hard work of our family

The Coin Flip Ranch was purchased by our grandparents, Fred & Ruby Wasson in 1976. Fred & Ruby approached long-time neighbors and proposed a joint purchase of the 100 acre property to split in half. When the sale was complete, they flipped a coin to determine who would get which half, thus the name Coin Flip Ranch. Year after year the Shadrach 14-acre block continues to reap the most consistent, balanced Chardonnay we produce.

This wine displays soft, golden tones with bold flavors of honey and pear, and a smooth finish. It is a delightful complement to poultry, pork and seafood dishes, as well as Gruyere, Cambozola, Provolone, and other goat's milk and cow's milk cheeses.
