“COSMIC KARMA”
GRENACHE – 100%
100% Yountville, Napa Valley

-DESCRIPTION-

If you took Steve McQueen, Frank Sinatra, Marilyn Monroe and Grace Kelly and crammed them into a vintage Bugatti you'd have something that looked nice and classically French on the outside but was in fact concealing iconic and reckless beauty that is pure Grade A American Beef and BEEF my friends, is what's for dinner!

Cosmic Karma is reminiscent of a gypsy girl possessed by ancient gods, writhing in hypnotic ecstasy as she dances and swirls to forgotten tribal music in a blood red tent filled with incense that tastes of magic and sin. It coats your palate like a luxurious lacquer with aromatics that show exotic ringlets of spiced meat cooked in chokecherry and strawberry syrup. It's monstrous on the palate with flavors of blackberry jam, stewed cherries and spiced vanilla custard. This wine is absolutely huge folks and the finish, while round and savory, is longer than a visit from your mother-in-law.
