SPACING: 7 X 10'

VINES/ACRE: 622

SOIL TYPE: 100% SuF (Souther-Laughlin Loames)

PRODUCTION: Average Production 5 tons/acre

2007 COYOTE CREST CABERNET SAUVIGNON

The 07 Coyote Crest Cabernet expresses the characteristics Alexander Valley Cabernet is known for – big, bold flavors. It's beautiful to look at and even better to drink! The wine displays a deep, clear color of garnet red in the glass. Notes of earth-ripened cherries and dark chocolate on the nose lead to flavors of blackberry and plum on the palate, before concluding with a satisfyingly smooth finish.

This cab is the perfect partner for beef and pork dishes, and pairs sublimely with Dry Jack, Gruyere, Barely Buzzed, Brillat Savarin and Picolo cheeses. Look for recipes specially created for the 2007 Coyote Crest Cabernet at munsellevineyards.com.

This wine can be enjoyed now, or savored in years to come.

- Cheers!

WASSON RANCH – COYOTE CREST BLOCK

Coyote Crest is contained within the Wasson Ranch, purchased by our grandparents, Fred and Ruby Wasson, in 1942. It remained as open, rolling hillside pasture until they planted it to grapes in late 1970's.

The property provides wide-ranging, majestic views from north of Geyserville to southern tip of the valley and it's soils are characteristic of the eastern hillsides of Alexander Valley – rich in nutrients and shale-based for good drainage.

Coyote Crest vineyard was named for the path walked by coyotes, year after year, from wooded canyons across our knoll to neighboring properties. When standing at Coyote Crest, you'll be mesmerized by the beauty you see. We hope you'll be equally mesmerized by the quality of the wine your taste.
