Description

This pristine vineyard sits among the irregular folds and mountain slopes of this sea kissed hillside terroir creating a perfect site for Pinot Noir. This legendary Dijon Clone has offered up a jewel of a wine and we are proud to present it to you.

With the color of a Jessica Rabbit lollipop, this mouthwatering masterpiece is bursting with flavors of fresh raspberries and cherry cola. Showing rich veins of strawberry compote and a black cherry core this is classic Sonoma Mountain Pinot. The finish is persistent with nuances of Asian spice and dark berry. More flamboyant than a switchblade this wine has more flash and more layers than a French pastry. She'll drink well for years and years.
