Hello Total Locals Club Members,

Spring has arrived. I am not sure I have ever seen Geyserville look more verdant. The late winter rains coming on the heels of our drought have made the fields and vineyards explode with color. Purple lupins, yellow poppies, tall green grasses of all kinds, and of course tender green buds on the grape vines.

Good old sleepy Geyserville is now a go to destination. We have 6 tasting rooms, shops and galleries, three restaurants and a brand new bar called The Gun Club. Our visitors to Locals keep remarking that one does not need to go anywhere else for fun and good wine and we Geyservillians like that!

Nestled in a corner of the Alexander Valley, and sheltered from the crowds that now descend on Healdsburg, the Tesla to pickup truck ratio is still reasonable. At Locals we are now the very last holdout to offer free tastings and we are proud to support a local charity through sales of books and jewelry. We have so much to be thankful for living in our corner of paradise that giving back just feels right.

Your wine selections this quarter bring you the usual eclectic mix of new wines. There is something to please everyone and you can read about all the details in the tasting notes here localstastingroom.com/tasting_notes. Diane has paired some recipes to these wines so take a look here localstastingroom.com/recipes and let us know if you successfully give any of these a try.

For those of you that pick up your wines at the tasting room, we are planning a fun little pick up party for Saturday May 14th from 4 to 7pm, so save the date. I will be sending you a reminder or you can get more info by following us on Facebook here www.facebook.com/LocalsTastingRoom.

For those of you that live too far away to join us we are offering you an additional 10% off any wine orders placed that day, bringing your total discount to 30%.

Be sure to mark your calendars now for your one dollar shipping window which runs from May 9th to May 16th. The maximum order for dollar shipping is three cases per club member and the minimum is one case. The dollar shipping is for new orders only please and excludes Alaska, Canada and Hawaii. Your 45 day follow up discount runs until June 4th, 2016.

Cheers,

Carolyn
