CHARDONNAY CALIFORNIA 2015

Chardonnay is one of the most versatile varieties of wine grapes in the world. Wines from Chardonnay grapes can make some of the most sought after Champagnes and sparkling wines in the world. It can yield wines that have severe acidity and minerality. It can also be blended with other varietals to create a myriad of flavor profiles from sweet to bone dry.

Winemaker's notes:

is crafted to highlight the voluptuous beauty that the grape can show focusing on a rich creaminess that coats the palate with bright tropical and citrus notes and a long seductive honeyed finish.

is made from 100% FARM FRESH Chardonnay grapes grown in the glorious SUNSHINE of the California Coast. It is pressed and crafted with loving care.
