

2006 ALEXANDER VALLEY  
CABERNET SAUVIGNON

**91 points** “Mountain Cab, this is powerful yet elegant with red berry and subtle black pepper notes underlined by minerals and mouthwatering acidity.”  
*Gilbert & Gaillard* May, 2013

**Silver Medal - 2011 California State Fair Wine Competition**

**Silver Medal - 2011 Sonoma-Marin Fair Competition**

**Silver Medal - 2011 San Francisco Intl. Wine Competition**

The wine’s color is deep garnet with purple hues – classic Cabernet color. Plum and berry aromas are followed by spice, cedar and cassis notes. Dried red cherries, pomegranate and plum flavors are complemented by hints of vanilla and pie spices. The wine is soft, full and rich; well balanced with nice, ripe tannins.

Arbios Cellars produces only one wine - made from 100 percent Cabernet Sauvignon grapes sustainably grown on a mountain top vineyard in the Alexander Valley of Sonoma County. Arbios Cabernet Sauvignon is crafted in classic Bordeaux style to have moderate alcohol and good fruit character. Although Bill has a successful track record crafting blended wines, he prefers the challenges and artistry that go into making our wine from a single vineyard.

Varietal Comp:	100%	Alcohol:	13.6%
