## -DESCRIPTION-

It is not completely unknown that Shangri-La is actually located in Napa, California but it is not well known so don't feel bad if you were not privy to this fact but it is quite true. This liquid puma of a wine comes from perhaps the most stunning properties in this blissful Utopia. We humbly present, From Eden.

Like a red wet silk scarf, pulled tight, this wine shines bright with heavenly luster. Black fruit makes up the core of this silken lioness with supple flavors of blackberry, mocha and clove. Softer than Justin Bieber eating a bag of marshmallows but with the intensity of a Charles Bronson vs. Chuck Norris street fight.
