About Silver Image by Eric Ross

Silver Image by Eric Ross reflects Eric's photojournalistic roots. Photojournalism was often about giving people with no voice, a voice in the world. It's about the subject, not about the photographer. It's about quality grapes, letting exquisite fruit shine through in your glass. The Silver Image Series focus are high quality Sonoma County vineyard's selected for their complex qualities

"TREASURE YOUR MOMENTS!"

Vineyard & Flavor

Albon clone Grenache was planted in 2013 providing low yields and premium fruit qualities. Freshly picked ripe Strawberries with hints of Hibiscus. The Grenache Rose fruit is picked early going after bright acidity in the fruit. Salmon in color this is a light example of Grenache, perfect for those Spring time meals.

Winemaking

Harvest: August 31, 2017
Bottled: February 14, 2018
Cases: 53 cases

De-stemmed fruit pressed into stainless steel fermenters with temperature control. Twice daily pump overs with RP-15 yeasts provides a cool fermentation for the light expression of Grenache. After fermentation the wine is transferred to older barrels imparting no oak aromas until bottling in February.
