

## 2016 HILLSIDE BLEND

### Tasting Notes and Tech Data

#### Tasting Notes:

Deep dark opaque ruby red. Nose rich in cherries and cassis with cedar cigar box accents. Palate offers a smooth texture and balance of soft tannins with slight acidity. Bing Cherries and Santa Rosa Plums add to the taste with a caramel spice following. The finish is long and rewarding with sweet hints of vanilla and toasted oak. We like this wine!

#### Tech Data:

pH 3.64, TA 6.5, Alc 14.5%, American Oak Aged for 2 years. The Blend is 65% Estate Petite Sirah and 35% Zinfandel from the Northern Alexander Valley. Aprox 75 cases. This wine is drinking well now however will cellar for 10 ++ years.

#### Food Pairings:

We enjoyed this wine last night with a spicy Pazole. It made the meal! However it will go well with any rich spicy meat dish.
