Hello Loyal Locals,

As The Doors said, strange days have found us.

This is certainly a challenging time for us all on so many levels. My thoughts are with all of you around the country as we shelter in place. At Locals we are working hard to keep our business going and so appreciate all the support you have shown us. While we cannot drink good wines together during this time, we can certainly continue to enjoy them in the comfort of our own homes.

The six wines in this quarters selection are all comfort wines to me. Luscious and round, soft and supple, they lend themselves to your food pairing ideas...especially since we are all cooking at home more it seems.

While the world around us is in disarray my walks through the local vineyards around my home are all the more important to me now. Watching the cycle of agriculture continue, the tiny shoots of bud break and the knowledge that despite all of this horror, growth continues unabated. It is calming to watch. The knowledge that we will have a new vintage to celebrate and hopefully will be able to welcome you all back to Locals once harvest starts.

I'm sure by now you have all received several emails from us regarding our FREE shipping offer. Consider taking advantage of this and stocking up on some of your favorite Locals wines. Our small family winemakers need your support now more than ever and you can never have too much wine in the house right? If you need some suggestions or want to chat about some of my favorites right now you can do so here drift.me/carolynlewis. I have plenty of time on my hands!

Important: I know many of you are currently working from home so if we have previously shipped to a business and we need to change that please let us know by emailing localstastingroom@gmail.com as soon as possible so we can make the change on our end. For those of you that pick up your wine, you may do so by prior arrangement between noon and 2PM on a Monday or Wednesday. Just let us know you are coming by via email and we will prepare your wines have have them waiting curbside for you.

All of your club wines are listed below, and we love to hear what you think of our selections, so don't hesitate to drop us a note. Tasting notes on each wine can be found here localstastingroom.com/tasting_notes/.

Your 45 day discount runs April 20th to June 8th 2020. The FREE shipping offer currently in place runs through April 30th and is for new orders only and excludes Alaska, Canada and Hawaii.

Every day I remind myself that hope springs eternal. My wish is that we will all be together again soon.

Take care and stay healthy.

Carolyn.
