"SUMMER FLING"

2018 Vermentino - Russian River Valley

Who wouldn't enjoy a bit of summer fun with a mysterious Italian lover?

Attractive, with sophisticated taste and a zest for life, this darling is deliciously complex - but without a complex. Free of drama and pretense, Vermentino isn't trying to be Sauvignon Blanc or Chardonnay.

This Summer Fling is what it is, which is simply enjoyable.

This summertime sipper has inviting aromas of crushed stone, fresh-cut pears and melons leading to citrus and honeysuckle flavors. A lush texture balanced with refreshing acidity provides the perfect pairing for oysters on the half shell, fresh seafood, pasta with pesto or your favorite cheeses.
