

Drive

2020 Rosé of Pinot Noir Quan Vineyard

Winemaker Notes:

Drive Wines 2020 Rosé of Pinot Noir was produced in the vin gris style where grapes are hand harvested and immediately pressed, producing light color and crisp acidity. This rosé was aged in stainless steel drums and neutral french oak to maintain aroma and flavor while adding a touch of roundness on the palate.

Tasting Notes:

This crisp and delicious rosé expresses notes of stone fruit, red fruit and lime zest. This wine can be enjoyed on it's own or paired with seafood, salads or lighter fare making it the perfect summer companion.
