Hello again all my Loyal Locals,

Summer has once again arrived...and with it a small step towards our new normal. I hope this note finds you well and you are enjoying time with friends and family. We are here to help you add some wonderful wines to your celebrations, BBQs, and parties.

This quarter, depending on the club you selected, you will be receiving several medal winners, new releases, and current tasting room favorites. There are wines from Alexander Valley, Dry Creek, and vineyards all around Sonoma County as well as a little further afield. Cabernet, Zinfandel, Sangiovese, and for those in our Red and White club there is a new Rosé, a delicious Chardonnay, and a crisp and yummy Sauvignon Blanc. Take your pick as to what to open first because you can't go wrong.

Detailed tasting notes on each of these wines can be found here <https://localstastingroom.com/club-tasting-notes/> and if you need food pairing suggestions or just want to chat you can reach me here: <http://drift.me/carolynlewis>

As many of you are aware...we are experiencing unprecedented heat across much of the country and for some of you will be storing your wine at our temperature-controlled warehouse until we can get it to you safely. We do this so that you do not miss out on any of the small production wines we select for you...and that will be long sold out by the end of the summer. You do have the option of upgrading to expedited summer shipping in some states so if that is something you wish to discuss give us a call in the tasting room. We are extending your follow up discount through November 1st, 2021 so that as many of you as possible can take advantage of it even if you must wait a bit for your wines. We're also still offering free shipping on any new case orders.

Enjoy your wines and happy summer days.

The wine of Love is music,
And the feast of Love is song:
And when Love sits down to the banquet,
Love sits long:

Sits long and ariseth drunken,
But not with the feast and the wine;
He reeleteh with his own heart,
That great rich Vine.

James Thomson

Cheers,

Carolyn

MOSTLY REDS
