Tasting Notes

This sparkling Brut is a stunning blend of traditional sparkling wine grapes. Brightness and acidity from the Chardonnay grapes is balanced with aromatics and structure from the Pinot Noir and Pinot Meunier. Made in the traditional Champagne style (Methode Champenois), this wine is delicately carbonated by a second fermentation in the bottle. With notes of citrus and white flowers, this wine is almost too easy to pair with food or your favorite celebrations.

It was important to us to make a sparkling wine due to its versatility and approachability. We strive to make wines that are easy to pair with traditional Filipino and islander cuisines that allow you to bring family and friends together over food and wine. Pair this Brut with lumpia Shanghai or oysters on the half shell for an unforgettable celebration, or a fantastic Tuesday night.
