Hello to all my Trust Carolyn Club Members,

I just looked back at what I sent to you last November where I spoke about sitting in a closed tasting room and wondering about the future. Well, here we are a year later, the tasting room is open albeit with slightly limited hours, and the wines are still delicious. It gives me great pleasure to see that many of you in this club have been loyal members and customers for so many years!

I hope this note finds you healthy, happy, and ready to enjoy some holiday cheer. The festivities this year will most certainly be better than last year. With your enjoyment in mind, I have selected 12 of our current favorite wines. A little bit of celebratory sparkling, a pretty Rosé, some yummy Pinot, a newly released Zin, several great blends, Sangiovese and Barbera, even a taste of Spain, Cabernet, and some recent medal winners as well. I feel pretty confident there will be something for everyone in these selections.

You can read about the selections in this box by clicking on the tasting notes here: www.localstastingroom.com/tasting_notes/.

As always, we've been busy posting videos to our YouTube page. You can subscribe here: www.youtube.com/user/tastelocalwines and enjoy our antics from afar.

Also, be sure to mark your calendars now for the one-dollar shipping window which runs from December 5th through December 12th, 2021. The window is early this year and, if you place your reorders on the early side of the week, you'll likely receive your wines in time for the holidays. Of course, you can also use this benefit to send wine gifts to your friends. We'd be happy to help you with your selections, so just give us a call in the tasting room. A wine club membership makes a great gift as well.

The maximum order for dollar shipping is three cases per club member and the minimum order is one case. The dollar shipping benefit is for new orders only and excludes Alaska, Canada, and Hawaii. Your 45-day discount on follow-up runs until January 17th, 2022.

Please note that for those of you in our TLC club your wine selections may differ slightly from those listed based on your stated palate preferences. Enjoy your wines and let us know if there's any additional information I can provide. We always enjoy chatting with you. Be sure to follow us on Facebook and Instagram to keep up with all our news.

Cheers to a happy holiday season.
