Dear Locals Family,

This January marks the beginning of a new chapter for Locals under the new ownership of Dick and Doralice Handal.

Our winery, Denier-Handal Vineyards, has been one of the wineries in the room for the last five years. We are proud that you have enjoyed many of our wines at your table. If you are a new customer, we are pleased to make your acquaintance. If you are a longtime fan, we are happy to get to know you in our new role as owners.

For the January Six-Bottle Club in the tradition of Locals Tasting Room, we are pleased to offer an outstanding selection of wines from Peterson, William Gordon, Gore, KitFox, Munselle, and Denier-Handal.

We are hopeful to connect with many of you on your visits to Locals. We understand that we might not see many of you in the room as we continue to wade through changes due to the Covid Crisis.

We'd love to hear what you think of the wines you receive, your food pairings, and fun experiences in enjoying these wines. Carolyn was always a huge fan of Social Media and we are too. Reach out to our Locals Tasting Room pages on [Instagram](#) and [Facebook](#).

You'll notice, upon visiting the tasting room, that we have made subtle changes around the room. We will continue to offer you a great selection of wines from each of our valued wineries as well as gearing up to offer more items. When you visit, you will still be met with the familiar faces of Patrick and Stig. As always, keep an eye out for us and our fellow vintners who will be around to meet you and pour our wines for you.

Thank you for your support of Locals.
