2021 Rosé of Pinot Noir Kobus Vineyard

Winemaker Notes:

As we have since making our first rosé in 2018, this wine was made in the vin gris style where grapes are hand harvested at night and immediately pressed, producing a light, fresh, crisp rosé. The wine was aged in a combination of stainless steel and neutral french oak to maintain aroma and flavor while adding a touch of roundness on the palate.

Tasting Notes:

This delicious and refreshing rosé has notes of peach, grapefruit, clementine, and strawberry with a touch of salinity. This wine can be enjoyed on its own or with seafood, salads, or fresh veggies (crudité!).
