

2021

Kobus
Vineyard
Rosé

Appellation Russian River Valley
Pick Date 8/26/21
Brix 22.3
pH/TA 3.6/0.53
Alcohol 13.8%
Aging Stainless Steel
Cases Produced 270

Vintage

The 2021 vintage was highlighted by a profound drought in California which exhibited as lower vigor and an earlier growing season and harvest. Winegrape yields were down anywhere from 10-50% depending on the varietal and appellation, which was tough on growers but resulted in extremely high quality wines. Flavor development came on early and allowed us to pick each vineyard as soon as the acid profiles and Brix were in range, which yielded well- balanced wines with intense expression.

Tasting Notes

Aromatics and flavors of guava, fresh summer strawberries, red cherries, and watermelon with a juicy guava fruit middle and balanced acidity.
