Dear Locals Friends & Family,

It's been one hot summer! We hope you have been able to stay cool and enjoy some of the wines you've purchased from us in the past. We know we are excited to be able to send you your next club shipment and if you were in the hot states and didn't receive your June shipment, you'll be getting double joy.

We hope to ship everything to you once the heat breaks and we will know that in a couple of weeks.

Harvest 2022 is shaping up to be a really great harvest. Winemakers are happy and the fruit is looking good. Some of your favorite winemakers are excited about the wines that they will be able to produce with this fruit and eventually share with you.

For your September shipment you will receive some of the following wines:

- **Denier-Handal Non Vintage Ottant'Anni**
- **Munselle Vineyards 2019 Osborn Ranch Zinfandel**
- **KitFox Treasure Cellars 2021 Chardonnay**
- **Dot 2021 Rose of Pinot Noir**

Ottant'Anni is modeled after a Super Tuscan made with Dry Creek Cabernet and Mendocino County Sangiovese. For those of you who have tried Denier-Handal's Sangiovese or Cabernet, this wine is a fantastic combination of the two varieties. Ottant'anni, which directly translates from Italian to "eighty years", is a wine honoring Dick Handal and Larry Venturi who both turned 80 in 2021. You'll be excited to see the label as it boasts these two friends in the vineyard.

Munselle Vineyards Osborn Ranch Zinfandel is the classic Zin that you have become accustomed to loving and not having enough bottles. We are excited to offer the new vintage for the club as it has yet to be released. You will be the first to try it and will have a head start in getting more once you try it.

KitFox Treasure Cellars Chardonnay is a fun addition to the KitFox line up. Made with fruit from a notable Russian River vineyard, it is sure to please all of you Chardonnay lovers.

Dot Rose of Pinot Noir is a lovely wine that shows the beauty in Pinot Noir. Lise Asimont is a master winemaker who lets the fruit she chooses shine through in the wines she makes. This very pretty wine is a hit and if you've been able to try it side by side with Drive Wine's Rose of Pinot Noir, it's a fun comparison with fruit and production from the same vineyard.
