Jamie Peterson's Vintaged Views

My father first produced Vignobles in the 1990's as a way to showcase our Petite Sirah and other Rhone varietals in a savory blend that reflects the Dry Creek Valley *terroir*. And, as a side note, it was one of my favorite wines to sneak tastes of as a teenager.

By blending four varietals from distinctively different Dry Creek Valley vineyards, we are staying true to Fred's vision of showcasing how our local *terroir* creates a unique palate profile. With this tenth vintage since the resurrection of the wine, we've built upon the core of spice and zestiness from Carignane harvested off the eastern bench of Forchini Vineyard, and brought in rich, dense Petite Sirah from West Vineyard. Additional Syrah from our estate vineyard, along with Grenache from both our estate and West Vineyard, add levels of varied fruits and plushness to bring it all together. This mostly Rhone varietal blend creates layers of fruit, spices and herbs, along with complexity and balance—all hallmarks of wines from the Dry Creek Valley.

Not a subtle wine, but meant to show more finesse and refinement than some of our other blends. We're glad to have Vignobles back in our cellar, and I no longer have to sneak tastes, but enjoy each sip all the same.

Tasting Notes

Dark red fruit aromatics swirled with a subtle spicy blend foretell the deliciousness discovered on the palate. Subtle spicy cedar notes weave through deep lush flavors of black raspberry, strawberry and Bing cherry. The luscious fruit is balanced with an integrated tannin and oak structure that shows a bit of muscle in the broad finish as traces of baking spices and black pepper appear.

A rich, hearty beef stew or pork tenderloin with pears and shallots will pair well with this fruit-forward yet robust Rhône blend.
