PINOT NOIR

CENTRAL COAST

MUMBO JUMBO; AN OBJECT BELIEVED TO HAVE SUPERNATURAL POWERS; A FETISH - (MMB-JMB)

Pinot Noir is one of most tantalizing yet temperamental varietals in the world. It is practically worshipped by its fans and when it is done just right, it almost has supernatural appeal. Our passion for this grape shows brilliantly in our Mumbo Jumbo, Pinot Noir. Hand crafted from select central coastal vineyards in California, Mumbo Jumbo shows both power and finesse.

BEAUTIFULLY BALANCED.

VARIETAL: Pinot Noir

VINTAGE: 2023

ALCOHOL: 14.7%

AVA: Central Coast

With a vivid ruby-red color this wine is harmony in a bottle showing lush raspberry compote & bright red flavors of cherry & strawberry. Silky tannins unravel intense flavors of savory asian spices & shaved truffle. The finish is long & balanced with toasty coconut, vanilla & a dash of sassafras.
