

More than 145 years ago, our family arrived in the Alexander Valley with a vision of producing fine wines from the rich soils the Valley has become known for. As generations passed, our family stepped away from winemaking to focus their efforts toward cultivation of the land. For more than three decades we've produced premium grapes that have contributed to a multitude of award-winning and notable wines. Now, five generations later, we've come full circle with a return to winemaking. With every grape and bottle we produce, we honor the vision of our ancestors, and the heritage and hard work of our family.

Our newest addition to the MV line up, Rosè of Zinfandel, has quickly become a favorite. This wine is perfect with appetizers, lighter meals, or just sipping on a warm summer night.

This dry rosè greets you with a honeydew nose. A little tart grapefruit at the front of the pallet is followed by flavors of peaches and apple. The Zinfandel grape gives just enough fruit and acid to pair nicely with a variety of foods such as charcutier boards, spicier dishes, and grilled vegetables. The wines beautiful light peachy color adds a little festivity to any event.
