Dear Club Members,

We hope you are enjoying your summer travels, whether close to home or across the globe. We at Locals have had a couple of escapes and enjoyed the warm weather for it.

Thanks to many of you who participated in our summer sales bonanza; your purchasing power helped many of our wineries clear the decks for the next round!

We are pleased to be able to extend those sales to you.

Our proposed schedule for the September clubs will be as follows. Proposed because it is weather permitting:

- September 7: Charge credit cards
- September 12: Begin shipping wines
- September 13: first day to pick up wines

Please reach out if you need to update your credit card. Zach and I will be reaching out to you if you need an update or we have missing compliance information such as your Date of Birth.

Please reach out if you are traveling during the time frame of our shipping wine so that we hold onto your wines and we don't risk getting the shipments returned. IF a shipment is returned, we have to charge you for the return cost. As these fees add up, it's best to mitigate this on the front end.

Some new wines, some classics:

Denier-Handal 2022 Motorino

Blend of Dolcetto, Sagrantino & Sangiovese Showcasing the delicious Sangiovese that we get from Larry Venturi in Calpella, California, and blending it with Sagrantino & Dolcetto to make a fun wine that'll pair well with your favorite Italian dishes, summer salads, and mixed grill as well as sipping on its own.

KitFox 2023 Mumbo Jumbo Sauvignon Blanc

Lighter-bodied and bright wine to enjoy a glass while decompressing after your long work day. An easy sipper, it is a good friend for a party of friends with varying taste buds.

Drive Wines 2021 Puccioni Ranch Zinfandel

We can't get enough of this Zinfandel produced by John Musto & Tom Young. Really old vines produce ripe bright full flavored fruit. Great paired with everything Zinfandel pairs with. Some surprises too.

Munselle Vineyards River Ranch Sauvignon Blanc

Bright acid, classic Sauvignon Blanc fruit from Alexander Valley.

Locals is open Wednesday thru Saturday from 11 AM to 6 PM

We always enjoy hearing from you.

Drop us a line at: 1083 Vine Street #213 Healdsburg, CA 95448.

Or email us at: contact@localstastingroom.com

We will be hosting our second Geyserville Downtown Tasting Room Marketplace on Saturday September 20 from 12p - 4pm. If you attended our inaugural event last month you'll be glad to see some returning vendors as well as new.

We are planning two more: December 13 and February 14.

More notices will be sent out about both of them.

It's always fun to hear from you, drop us a line, send us a picture or postcard and see you soon. Cheers!
