## 2022 Cabernet Sauvignon Asti Ridge Vineyard

### Winemaker Notes:

*Asti Ridge Vineyard was one of the last vineyards planted by legendary vineyard manager Ulises Valdez Sr. Planted in 2017 we were fortunate enough to be the first to harvest fruit from this amazing place high in the hills of Cloverdale in the Alexander Valley AVA. The grapes were harvested in the early morning of September 10, 2022. Fermentation was complete after 11 days and moved to barrel where it underwent malolactic fermentation. Once completed the wine was racked to 1-year old and neutral french oak barrels where it aged for 18 months.*

### Tasting Notes:

*This elegant Cabernet Sauvignon has notes of dark cherry, blackberry, and cassis. A nicely balanced wine with great length and a smooth finish. Should age nicely over the next 5-6 years.*
