## Harvest, November News, End of Year & Cheers to all!

The 2025 harvest is nearing its close with the last tonnages of grapes landing on sorting pads around the region. Your favorite big bodied reds and late harvest wines are in production and ready for their long winter nap.

We have been so blessed by many of you who have visited the tasting room and our region this year. For my father and I, we continue to get to know each of you and we are grateful for these interactions. Keep them coming!

November clubs are getting sorted and organized now and will ideally go out the first and second weeks of November, weather permitting. If you are planning to come pick up and you have some other wines to pick up or you are interested in picking up wines for your holiday celebrations, we are here for it!

As in past years, if you would like to order wines to be shipped as gifts, give a club subscription or shop for special items from our non-wine inventory, we are ready to serve you.

We have a handful of Denier-Handal 2019 Zinfandel Magnums left, some 2006 Munselle Vineyards Cabernet Sauvignon, some end of vintage bottles waiting to be adopted into your social circles and some other notable wines making an appearance this holiday season.

The November club will showcase new vintages of Eric Ross Viognier, Eric Ross Nick's Block, Denier-Handal Rose of Dolcetto to name a few.

If you are a custom club member, Doralice will be reaching out in the next weeks to get your orders sorted and schedule shipping or pick up.

End of year means we will be taking inventory so if at all possible, please make a plan to pick up all of your older clubs. If you can't come for whatever reason, please make an alternate plan. We are also happy to donate wine to a local charity if you have purchased wines you don't want.

## Upcoming Events

**October 26:** Fall Colors Festival began in 1975 as a two-day festival that has evolved into a fun day of vendors and activities, including a vintage car show. We will be open, pouring your favorite wines, and participating in a town-wide scavenger hunt.

**November 29:** Geyserville Tractor Parade is non-stop entertainment as Hwy 128 (Geyserville Ave shuts down), and for 3 hours, countless tractors and trucks roll through town all dressed up for the holidays. Restaurants, bars, food stalls, and trucks make sure you are fat and happy, and we will be open until 5 pm that day, pouring your favorites. Stop in and say hi, buy a bottle, and stay for the parade outside.

\*Make sure to park on the edge of town so you don't get stuck in tractor chaos for the evening!

**December 13:** Geyserville Downtown Marketplace Holiday Fair will be on from 12p - 4p. Make a day of it and come visit town, support the independents, shop for holiday gifts, taste local wines, and more! Vendors will be scattered throughout town and if you've been to the last two you know we don't mess around.

This winter, we will close the tasting room for a much-needed break. My father and I travel to New Mexico to visit family and celebrate the holiday season. It is an important time to be together, and as we get older, so important to make time. We know you know.

We want to thank you for your support of Locals. It is such a joy to serve you and share in your enjoyment of the wines that our wineries produce. Here's to more opportunities to serve you in 2026!

Take good care.

Dick & Doralice
