2023 Rosé of Zinfandel Olson Vineyard

Winemaker Notes:

The 2023 vintage marks the return of zinfandel rosé! Coming from old vine zinfandel in Dry Creek Valley and produced in the vin gris style to preserve freshness, this wine combines a depth of flavor with elegant, crisp fruit. Grapes were hand harvested at night, directly pressed, and aged in a combination of stainless steel and neutral French oak.

Tasting Notes:

This delicious and refreshing rosé has notes of candied orange peel and ripe strawberries, finishing with mouthwatering acidity. This wine can be enjoyed on its own or with seafood, cheese plates, salads, or fresh vegetables.
