Varietal: 50% Tempranillo
50% Grenache

Acidity: 5.5 g/l
pH: 3.65
Residual Sugar: Dry
Alcohol: 14.4%

Vineyard & Flavor

A small block of Spanish varietal Tempranillo delivers exceptional varietal character. Rich exotic aromas fill the senses with layers of coffee and chocolate. The Grenache brightens the notes with lush notes of raspberry. The blend becomes a rich dark fruited wine with brightness coming from the Grenache and enhanced with 21 months in barrel.

Winemaking

Harvest: Fall 2021
Bottled: July 18, 2023
Cases: 46

Fermentation is completed within two weeks in tank with twice daily pump overs. The cooling jackets around the tank provides a cooler fermentation to enhance the varietal character. On completion the wine was racked and Malo-Lactic or secondary fermentation is allowed to complete before barreling down.
