The grape harvest is almost to a close this year and it's not even Labor Day! Rains in the spring and high temperatures in the summer produced an early crop and many of your favorite winemakers are onto the next phases of their winemaking process.

That said, you'll see some solid good deals on case goods being offered as wineries prioritize space in their wineries for new vintages. Those older vintages that you are enjoying are not going away but space = money! So, consider all those opportunities to buy cases of wines and start stocking up for your Halloween parties, Thanksgiving, holiday parties and gift giving!

September 2026 clubs will include an assortment of wines from current wineries and (fingers crossed!) some new wines from new wineries. Yes, we are adding to our coveted tasting sheet, more wines for you to enjoy. Can you imagine?!

Wineries that will be joining Locals this fall are:

Harvest Moon Winery, Sonoma County

Kelley & Young Winery, Alexander Valley

Terra Savia Winery, Mendocino County

We will let you know when they are officially in the tasting room, on the tasting sheet and available for purchase. The brands and their people are excited to join Locals and to meet you!

Collectively, it is an exciting time to be in the wine industry. While much of what you hear is grim, wineries are still producing wine, grapes are still being harvested and memories are still being made. While we are all aware that the industry needs to embrace a good kick in its pants for a sustainable future, we will do what we can to keep your glass full of delicious wine.

Locals is open Wednesday thru Saturday from 11 AM to 5 PM

We always enjoy hearing from you.

Drop us a line at: 1083 Vine Street #213 Healdsburg, CA 95448.
